Why Monglish

WHO WE ARE

Monglish International Academy is a globally recognized leader in **English language education**, offering **cutting-edge immersive learning** programs tailored for both individuals and corporate clients. Our mission is to revolutionize language learning through our exclusive **Mongi-Immerse™ methodology**, designed to provide learners with **practical, real-world English proficiency** at an accelerated pace.

OUR EDGE

Internationally Accredited: Certified by IOTQ (USA), ISO 9001 (UAF USA), AAA, and AROQA.

Proven Learning Success: Our methodology guarantees rapid progression from beginner to expert levels.

Exclusive Mongi-Immerse™ System: 15+ interactive clubs and live sessions for practical language application.

Global Presence: Offices in London, New York, Alexandria, Cairo, Dubai, and Riyadh, serving learners worldwide.

OUR CEO

Dr. Mohamed Shalaby, founder and CEO of **Monglish International Academy**, is a visionary leader with a **PhD from the European Institute of Management and Technology (EIMT)**, Switzerland, and a **DPA from Collège de Paris**. With extensive experience in **E-learning and ESL education**, he has introduced innovative immersive learning techniques that have transformed language education.

Since founding Monglish in 2019, **Dr. Shalaby** has expanded the academy globally and established **Edulixa360 in Dubai Holding Company** in 2024 to further champion experiential education. His commitment to world-class, immersive learning ensures learners achieve maximum engagement and success.

OUR MISSION

At Monglish International Academy, our mission is to **revolutionize language Online learning** by providing a **fast result, immersive, and effective educational experience**. Using our Daily Immersion Method, we enable learners to master English **4X faster than traditional methods**, ensuring fluency through **real-life practice and interactive Online Clubs**.

OUR VISION

Monglish aims to be the **world's leading immersive language academy**, setting new standards in innovation and engagement. By 2030, we strive to **expand into 10+ global markets, impact millions of learners, and lead in AI-driven language education**—creating a world where language is a bridge, not a barrier.

OUR GOAL

- The goals we have set for ourselves are important steps that help us achieve our vision. They enable us to affirm the effectiveness of our work and its productivity for all parties involved.
- At Monglish International Academy, we aim for **excellence and enhanced performance** in language education across various levels by offering **professional and diverse curricula** that cater to each learner's needs.
- We strive to **save time and money** for learners by focusing on the goals they wish to achieve and providing a **flexible schedule for online courses** through interactive and live sessions.
- Additionally, we support learners by offering a **diverse range of courses** to meet their aspirations for professional success.

OUR SUCCESS PARTNERS

MEMBERSHIPS & ACCREDITATIONS

Globally Recognized ISO Certifications , Monglish International Academy is proud to be recognized for excellence in language education and training. Our ISO certifications ensure that every student benefits from a structured, high-quality learning experience, aligned with international standards

OUR UNIQUE METHODOLOGY: MONGI-IMMERSE™

What Makes Mongi-Immerse™ Different?

Traditional language learning often lacks real-world practice.

Mongi-Immerse™ integrates immersive, interactive learning techniques, ensuring swift fluency and practical application in real-life situations.

- ❖ **Interactive Learning Clubs:** Engage in role-playing, discussions, and simulations.
- ❖ **Live Sessions with Expert Instructors:** Personalized learning experiences.
- ❖ **Real-World English Application:** Business English, professional communication, and industry-specific programs.

Mongi-Immerse Clubs

The Mongi-Immerse curriculum is a unique educational philosophy and methodology that combines academic, recreational, and instructional clubs. These clubs enable students to immerse themselves in English language practice, engaging in diverse activities every day. Through exposure to various cultural and educational resources, students are guided along different developmental paths.

With our immersive strategy that incorporates daily language activities, students can achieve remarkable fluency in English within just a few months.
